PILGRIMAGES

Dear McCabe traveller

I am pleased to enclose your insurance policy document for your forthcoming pilgrimage.

Each year we review our insurance and this year we are introducing a significantly different policy. Please read the SPECIAL CONDITIONS section on the front page. Cover is offered for a standard premium and there is no requirement to disclose any pre-existing conditions.

A unique feature of the policy is that you will not need to call a medical help line to discuss health issues. Most pre-existing health conditions are covered as long as your doctor agrees that you are fit to travel.

Standard exclusions apply and are listed on the policy document. Please check that you are not affected by the Main Health Exclusions. You will not be covered for any ongoing tests or treatment of an undiagnosed condition, or for any terminal illness, or if you claim as a result of a condition arising within the past twelve months.

Note that you will pay an excess of £1,000 on any claim that results directly from a pre-existing medical condition. In our experience a very few claims result from pre-existing medical conditions. We believe that this excess is a fair exchange for the acceptance of pre-existing conditions.

With this policy you are covered with no declaration of health required.

If you make a claim which is unconnected with a pre-existing condition, the amount you will pay is small. Excesses are detailed in the policy document, but for example:

If you cancel with loss of deposit, you will pay the first £50

If you cancel after paying your balance, you will pay the first £100

On medical claims, you will pay the first £150

For loss of luggage or valuables, you will pay the first £50

Smaller claims you are expected to pay yourself with the insurance covering larger issues.
